Acceptance for the course: **Registration does not mean that the student is successfully registered for the class**. One the day after the registration finishes (15 October 2016) students should check their USOSweb account whether they have been accepted to the class or not.

Registration:
The courses are intended principally for the students enrolled on the fee based MA programmes at the Centre for European Studies and other students registered at the Jagiellonian University, including Erasmus/Socrates and other international exchange students, who may register for the courses providing that there is sufficient space – a maximum class size applies.

Acceptance into the course will be decided based on the ranking list and the time of online registration. The assigned rank determines the priority: the higher the rank the higher the possibility of being successfully accepted to the course (in the case that there are more students interested in the course than places available).

The following ranking list applies for registration:

- Rank of 6: students enrolled in the fee based MA programmes at the Centre for European Studies;
- Rank of 5: students enrolled in other European Studies international programmes (Euroculture, Padua, Strassbourg etc);
- Rank of 4: Erasmus and CEEPUS students who are on direct exchange to the Institute of European Studies.
- Rank of 3: All other students of the Institute of European Studies;
- Rank of 2: All other international students of the Jagiellonian University (including Erasmus students on exchange to other units, international students in other paid programmes);
- Rank of 1: Students who do not belong to any of the above mentioned group and would like to attend classes

After registration student should make sure the course is linked to the student's programme on the day of registration! If not - student will be removed from the course on the day after registering. ('linkage' section of USOSweb profile).
